2/39 Neville Street, Box Hill South
Melbourne VIC, 3128

EXECUTIVE SUMMARY

I'm a full stack software developer and optometrist with a passion for learning and eye for detail. I'm always ready to collaborate, to listen and to begin solving problems. Driven by a passion to know better with each iteration, I am not afraid to return back to basics and test boundaries.

PROJECTS

APPetite |
https://github.com/KarrynS/Project_1.git
